

2,300 BOSS BARBERS CAPITULATE TO I. W. W.; BROOKLYN STRIKE OVER

Eleven Hundred More Are Expected to Sign Compromise Agreement To-Day.

The master barbers of Brooklyn announced their complete surrender to the Industrial Workers of the World today. An agreement was signed by 2,300 barbers and the I. W. W. organizers at the Palm Garden in Hamburg avenue last night.

Under the agreement, the working day for Brooklyn barbers is to begin at half past seven o'clock and to end at 9 o'clock at night on Mondays, Tuesdays, Thursdays and Fridays. The day is to end at 9 o'clock Wednesday and at 10 o'clock Saturdays, unless a general holiday falls on Saturday, when the day will end at 4 o'clock in the afternoon. Work is to cease Sunday at noon. Every barber is to have one full day a week off, beside the Saturday half holiday. No customers are to be admitted after the closing hour, but all those in the shop are to be attended.

Eleven hundred boss barbers who were not represented directly at the meeting have signified their intention of joining in the treaty. Under its terms no boss may employ a journeyman who is not enrolled in the I. W. W., and no I. W. W. member may work for a boss who is not a member of the Master Barbers' Association. There was a general raising of prices for shaving of five cents in the low-priced shops to meet the increased cost of paying the old wages at the new hours.
